JUNE – JULY 2022 Newsletter

FROM THE COMMANDER
Robert Schmidbauer

Greetings Comrades,

I do hope everyone is doing good and remaining safe and healthy.

The month of June is my first month as your Post Commander and it is a jam-packed month for our post. On June 2nd, I attended the Wounded Warriors Veterans Counsel Meeting. June 8th, we retrieved the Flags from the Meadowlawn Memorial Park. June 10-12, I had the honor to attend the Alabama State Conference in Montgomery Alabama with members of our past and current leadership. It was a great experience, and many connections were made with VFW Leadership from across the State of Alabama and National. 17 June, Pamela Smith, Randy Black and I attended the Groundbreaking Ceremony of the Command Sergeant Major Bernie Adkins Veterans Home here in Enterprise. 18 June, We took part in the Flag Retirement Ceremony at Sam Boswell Honda and received a generous donation from his organization. Again, on 18 June, our members conducted a VFW Buddy Poppy and Membership Drive at the Military Appreciation Day in Downtown Enterprise.

Future events for June are the Military and Veterans Affairs Meeting at the Enterprise Chamber of Commerce on 22 June at 0800 and Freedom Fest on Fort Rucker on 30 June. We will kick off July with our Independence Day Celebration at the post at 1600 hours. Bring an appetizer (hors d'oeuvre) to share along with your own beverages and enjoy great fellowship and fireworks. I hope to see you there.

I am really excited to see so many of our members coming back to the Post and enjoying the fellowship and getting caught up with the other members. Our Comradeship is something that not just anyone can understand. In the coming months, I will be instituting a Buddy Call Program where we will reach out to the members we have not seen in a while and check on their health and well-being. Hopefully our attendance will continue to grow as a part of this, and I welcome any assistance in this endeavor.

Remember, this is your Post. Make sure you come support your Post and enjoy comradery of your fellow members. We are always adding new members, come and meet them and build friendships. Our Post is only as good as you make it, and we are a great Post that can always get better. If you have an idea, or want to get involved more, there are plenty of opportunities, and ideas are always welcome.

VFW Post 6683 Service Officer

Good day, Comrades!

I trust that everyone had an OUTSTANDING 4th of July. For my inaugural newsletter submission as the Post's Service Officer I want to address an issue that I consistently run into throughout the Veteran community; the difference between Benefits and Entitlements.

The dictionary states that a benefit is "an advantage gained from something". While an entitlement is "a right to benefits specified especially by law or contract". In layman's terms, all entitlements are benefits, but not all benefits are entitlements. Like the adage that 'all bourbons are whiskey, but not all whiskies are bourbons'

Eligibility for most Veterans Affairs (VA) benefits is based upon discharge from active military service under other than dishonorable conditions. Dishonorable and bad conduct discharges issued by general courts-martial may bar VA benefits. Your entitlements/benefits may also be 'stopped' for a Veteran or their dependent that is in jail or has an outstanding felony warrant.

An easier way to tell if a benefit is an entitlement or not, is to determine if the benefit can be 'taken' away. If you are receiving a pension for your service (retirement pay), this is an entitlement as it usually cannot be taken away from you; there are laws that govern this. Your medical care is an entitlement

derived by your specifics of service. However, how that entitlement is provided is a benefit (again, determined by your specifics of service). Meaning, that your medical care could be provided at a military medical treatment facility (i.e. Lyster Army Health Clinic), the Veterans Health Administration (VA Clinic or Hospital), a private provider, or other primary care service provider(s). You have an entitlement to care and the benefit of the care could be provided on Post, but the ability to utilize LAHC as your medical provider/pharmacy is not a 'guarantee'

As the medical care question is the area that is most often confused with the terms, I am addressing that example specifically. Recently, the Department of Defense established a new interagency organization to codify and oversee the medical care within the DOD. Remember that the DOD and VA are separate governmental agencies... The Defense Healthcare Agency (DHA) is that agency. The DHA is implementing several changes with the DOD healthcare that many of us were used to from our separate services. One of those is who receives what care from a military medical treatment facility. As such, Lyster is undergoing some changes in the near future that I will provide more data on these changes in next month's newsletter, with input from the LAHC Commander/Sergeant Major and their Staff. These changes will affect the benefit of utilizing LAHC services for Veterans and our Family Members.

If you have any questions that you would like for me to ensure that I address, please send them to me at the contact information provided in the Roll Call section of this newsletter.

2022 Patriots Day Planning

Members of Enterprise Veterans Organizations and Police/Fire/EMS, it is time to start planning for our Patriot's Day events! We need a lot of help planning for this particularly important event! Volunteer Sign-up for Planning, Organizing, and Running Patriots Day Observances and Ceremonies to be held on or about 11 September 2022. Please complete the form at the link below and/or scan the QR Code, or email post.6683.vet@gmail.com at your earliest convenience with your contact information to join the planning committee.

Fellowship Dinner

We will kick off our inaugural Fellowship Dinner on August 3rd and on the first Wednesday of each month thereafter. Check out our events tab (<https://www.facebook.com/groups/VFWPOST6683/events>) on our Facebook page (Enterprise VFW - Post 6683). We are continuing to work and expand the activities of our Post, and look forward to seeing you and your families at an upcoming meeting or event.

Poppy Committee Report (Pete Hill, Chair)

The committee set up a booth in the downtown Enterprise area in support of the City's Military Appreciation Day. There were seven volunteers who supported this event throughout the day. Their names are listed below. The hours of display were from 10:00 hours until 13:30 hours. The Post accepted donations for the Poppy's handed out in the amount of \$60.00. The committee did not have a clear picture of how many Poppys were handled out because we didn't have a clear inventory at the start of the drive, but will ensure that there is a system in place to track this for the next event. The Post currently has 1850 Poppys on hand.

Committee Volunteers were: Thomas Grandinetti, Patrick Riordan, Pamela Smith, Dave Minkler, Jeff Olser, Dawn Schmidbauer, Brett Feinstein

Membership Committee (Ken Donahue, Chairman)

I am Ken Donahue, Chairman of the Membership Committee, and per our governing documents the committee includes the Commander and Quartermaster. However, all Post Comrades are informally on the membership committee and are encouraged to solicit new members. The Post cannot flourish without your active support in recruitment.

Per our bylaws, the Membership Committee is responsible for recruiting, vetting member qualifications and ensuring payment of dues. When a new or transfer member is identified please pass the name and contact information to me or the Post Quartermaster (Jim Steddum) for processing of the application.

We have printed literature and membership applications at the post and I encourage each of you to take them as necessary to invite friends, family and acquaintances that qualify for membership.

Again, the best recruiters for any organization are the very ones that are active in the organization. I challenge each member to bring in at least one new candidate annually...this will benefit the Post by making it stronger, benefit the National organization by increasing lobbying numbers for veteran issues, and improve the outreach to our local veterans in need.

Youth Activities Committee (Sam Baker, Chair)

National Youth Scholarship for Patriot Pen and Voice of Democracy

Comrades, I am concerned with the lack of participation locally in the National Youth Scholarship programs for the Patriot Pen and Voice of Democracy for 2023. There were more than 28,000 entries last year and we here at Post 6683 had only ONE per category last year. As a father with my own children who are eligible to participate, I to, have had a challenge getting them to participate. Your children and those in our community who are not veterans well know military service and the sacrifices made for our Nation. I pledge to you to get into the schools locally in Enterprise and Coffee County, however I need your help in motivating and spreading the word to our youth in the community. The themes are easy enough for a 6-8 grader to pen an essay of 300-400 words on *"My Pledge to Our Veterans"* and for the High Schooler (9-12) to give a 3-5 minute video voicing their opinion on *"Why is the Veteran Important"*.

These contests both have a deadline into the next school year of 31 October 2022. We have time, however we need to get our youth started thinking now and share the knowledge. We will get time in the schools in August and September to brief students if possible and definitely share throughout the community the scholarship opportunities available. Other comrades and I can assist anyone requesting information and/or mentorship in submissions. Anyone of you who wishes to gain the application for either contest may get them from the VFW national website at <https://www.vfw.org/community/youth-and-education/youth-scholarships> or contact myself during a meeting or by emailing me at samricebaker@gmail.com or reaching out to me 334-494-2599.

Patriot's Pen		VFW VETERANS OF FOREIGN WARS	
2022-2023 Theme "My Pledge to Our Veterans." Student Entry Deadline: October 31, 2022 Patriotic Written Essay Competition Grand Prize: \$5,000 Award			
What is the Patriot's Pen Program? Conducted nationwide, this VFW-sponsored youth essay competition gives students an opportunity to write essays expressing their views on an annual patriotic theme. We invite you to join the more than 84,000 students who participated last year in this contest.		• Make sure that your essay is submitted to the VFW Post before the contest deadline of Oct. 31, 2022. You can submit your essay and entry form by email upon the Post's approval. Entries sent to the VFW National Headquarters directly will be returned.	
Why Should I Enter? Prizes and scholarships can be awarded at the Post, District, State and national level. Department (State) winners receive a portion of \$55,000 in national awards. National Winners will receive at least \$500. The first-place national award is currently \$5,000. The Internal Revenue Service requires a recipient awarded more than \$599 be given Form 1099 identifying the proceeds as taxable income. This may require the winner to provide their social security number.		How Am I Judged? Knowledge of the theme is worth 30 points: You must show a thorough knowledge of the theme in your work. Demonstrate you have researched the issue extensively. Theme development is worth 35 points: Answer all relevant facts about the theme such as the who, what, where, when and why. Relate the theme to your own experiences. Clarity of ideas is worth 35 points: Write your essay in an easy-to-understand format. Leave your reader with a clear understanding of your explanation of the theme.	
How Does the Contest Work? All entries begin at the VFW Post level. The only exception is where schools/classes/youth groups have large numbers of students and wish to conduct their own competition, submitting one winner for each 15 students to the VFW Post. Individual students may submit their entry directly to the Post. The contest consists of four levels. The first level (entry) is sponsored by VFW Posts. Post winners advance, one for every 15 entries, to the VFW District (regional) level where the one first-place winner is advanced to the VFW Department (state) level. The first-place winner at the Department level is then advanced into the VFW national competition.		What is the Theme? VFW's Commander-in-Chief annually chooses the year's theme. The 2022-2023 theme is: "My Pledge To Our Veterans."	
Who Can Enter? Patriot's Pen is open to 6th, 7th and 8th-grade students enrolled by the Oct. 31 deadline in public, private or parochial schools in the U.S., its territories or its possessions. Home-schooled students also are eligible. Although U.S. citizenship is not required, students must be lawful U.S. permanent residents or have applied for permanent residence (the application which has not been denied) and intends to become a U.S. citizen at the earliest opportunity allowed by law. (Foreign exchange students or former winners that placed in the National contest are ineligible.)		Deadline Information. To qualify, all entries must be submitted to a sponsoring VFW Post by midnight October 31, 2022. If you don't have success in finding a Post, or if you have trouble contacting them, you can contact your VFW Department (state) headquarters office to see if they can offer any information or assistance. You can visit vfw.org/contactus to look for "Find a State Contact" to get your VFW state office's phone number and Email.	
How Do I Get Started? • Ask a teacher or youth group/club adult leader to supervise the Patriot's Pen writing contest. • Contact a participating VFW Post and indicate your interest in participating. • Establish a contact person who is a member of that VFW Post or its VFW Auxiliary.		For assistance contact the VFW National Headquarters at 816.756.3390 ext. 6155 Email: youthscholarships@vfw.org

Abraham's Sacrifice

Did Abraham think
 that God was like the
 other gods

Genesis 22:11-12

Did you ever wonder what went through Abraham's mind when he believed that God wanted him to sacrifice his son? Of course, at that particular time in history, sacrifice of the first-born was not unusual and seen as an offering to the gods who would then allow the rest of the children to live. Did Abraham think that God was like the other gods? We will never know in this world. But God did not want sacrifice in the flesh, but sacrifice in the heart. Abraham was prevented from sacrificing Isaac and was given a ram instead, and for his willingness was promised great blessings. What are we willing to sacrifice for God?

Today, in America, we celebrate our independence. Many men and women sacrificed a great deal for this to happen and many people all over the world have sacrificed a great deal for their independence, independence from tyranny, independence to practice their religion, freedom from fear. Isaac was freed so that he could become the father of Esau and Jacob and thereby the grandfather of Israel. Jesus has freed us, has given us independence from the tyranny of law by giving us the law of love to follow. He has freed us so that we might experience the joys of eternal life. We all have much to celebrate today no matter where we live, so let us thank God for freedom.

Prayer

Loving God, you gave Abraham back his son and you give us so much. May we always be grateful for all your gifts, and today, especially, we thank you for the gift of freedom of fear of death and the gift of salvation. Amen.

Quartermaster/Adjutant Notes

We are starting our first month of the new Fiscal Year this month. This is the time to RECRUIT new members. As of this writing, we have transferred three members to the post and upgraded one of them to life member status. We are sitting at about 251 active members, but 27 members will expire this year. Each and everyone of us need to ensure that the annual members WANT to renew do so before the end of March 2023. One way of doing that is to like and share our Facebook Page: www.facebook.com/VFW6683 and visit and share our official website: VFW6683.org. Our Facebook page is about to hit 500 Likes—Let's get it to 1000 by the end of the Year!

There are several things we need each member to do to help develop our Post into one of the best Posts in the Department of Alabama. First every member with an email address needs to Join the VFW Action Corps. It is simple to sign up, but I will do it for you—just text me your email address and ask me to sign you up! You will get a weekly email about what is going on legislatively to support Veterans. From time to time, you may be called to action. This means you will get an email asking you to write your congressman. They make it easy. All you after do is click a button and follow the prompts. Emails will be generated for your two Senators and member of the House of Representatives with a pre-made letter.

Next month, we will address community service requirements for our members (Hint: Keep track of all your service to others in the community.)

Thanks for all that you do!
